and/or
Session 2, 1 pm – 4 pm in our PNNAG OFFICE
Taught by Shelly Vollstedt

Create gorgeous Psanky Eggs just in time for Easter! The method is similar to batik - patterns are drawn on the egg with wax, which then protects any covered areas from the dye that is applied. Play with 12+ luminous rich dyes and let your inner artist shine – design options are unlimited, from traditional to wild and wonderful. You'll receive 4 prepared eggs to work with and can bring additional eggs to dye as well. Join us for a most egg-cellent time!
